

## 2010 ELGIN PELICAN NP STREET SWEEPER

Custom Rebuilt® is a leading supplier of remanufactured infrastructure maintenance equipment.

Our areas of expertise include:

- Sewer Cleaning Equipment
- Street Sweepers
- Sewer Inspection Cameras
- Refuse Equipment

From initial equipment assessment and systems analysis to jointly determining a remanufacturing plan that's right for your application, needs and budget, Custom Rebuilt® is here to provide a total turnkey solution. We can also provide financing, delivery and training.

Unlike equipment brokers and auctions, we take the guess work out of buying used equipment. All repair work is completed by our staff of factory certified technicians.

Call us today with your equipment needs and let our experts share our comprehensive solutions with you!
